Admissions Guide

Contact Information:

Director: Quentin Dobmeier, AAS, LP

Interim Dean: Nicole Hays, RN

The admissions process for the Basic Fire Academy is competitive and applicants must meet all minimum criteria in order to be eligible for ranking. Ranking points are obtained from the most recent Test of Essential Academic Skills (TEAS) V (AH-Category G) or Texas Success Initiative Assessment (TSIA) is an option and an interview using Job Fit. Official TEAS V test scores are valid for five (5) years and only the most recent test score will be used. Official TSI assessment scores are valid for five (5) years and only the most recent test score will be used.

General Requirements

Basic Fire Academy applicants are required to complete and pass the Test of Essential Academic Skills (TEAS) V (AH-Category G) or Texas Success Initiative Assessment (TSIA) is an option during the application/ranking process. Students who have not completed this requirement during the initial application deadline will be placed on a waiting list pending proof of completion and students are responsible for updating information with the program. Incomplete applications will not be ranked until all general requirements are met.

Applicants for the Basic Fire Academy must satisfy minimum criteria in order to be eligible for consideration of ranking.

Basic Fire Academy Program applicants are required to meet all the following:

- Enrolled at Odessa College as a Credit Student
- TEAS V (AH-Category G) or TSIA compliant

- Students will be expected to pay the fees that are associated with program requirements.

Post Admissions Requirements

Students are responsible for the following requirements **AFTER** accepting a seat in the program:

PROGRAM ORIENTATION: one day **in person** orientation.

Must adhere to the Odessa College EMSP uniform policy.

Point Ranking System

As part of the admission criteria, the point values for all Basic Fire Academy applications will be totaled. A rank ordered list of Basic Fire Academy applicants by point total will be developed. The applicants with the highest number of points will be accepted into the Basic Fire Academy until all available spots are filled. If two or more students have the same scores for the last remaining seat(s), the highest interview scores will be used to determine their final ranking. Each accepted applicant will receive an email confirmation from the Program Director and immediately be registered for the Basic Fire Academy courses after the background check is completed and reviewed.
